Arrival of the Pony Express. ening with dates to the "th inst Nin Francisco, August 8 -- The Pony Enpress, with St. Lonis dates to the 27th all arrived at Carson Valley bust evening, and will reach San Francisco to night.
The Overland Mail is telegraphed, and will probably arrive this evening with the St Louis mail of the both of July. Lathum remain in the city, taking but little part in politics. The latter, it is said, will not participate in the canvass

J. W. Denver, ex-Governor of Kansas,

TELEGRAPHIC.

supports Donglas in a long letter. Many are advocating the nomination of Governor Howney as one of the Bonglas electoral candidates, which, it is thought, would strengthen that side. Politicians are generally of opinion that if the Presidential election could be held at once, this State and Dregon would go for Douglas, but they anticipate a very damaging effect upon the Bouglas side, from the continued receipt of had news from the East.

nominate electoral candidates, is to be held at Sacramento on the ath of Scrtember, the day on which the Douglas Convention neets at the same place.

Accounts from Los Augelos represent that gold and silver discoveries continue to be unde to the southeast of that place, extending to the neighborhood of San Ber nardino. The placer diggings are believed to be very rich and extensive. The accounts from the Coso and Morus

take gold and silver mining regions, which reach Sau Francisco via Visalia, also continue of an exciting character. The speci mens of silver ore compare tavorably with that from the best leads of Washee, and niny holders of claims are sanguine of realizing fortunes. An election has just been held in the arson Valley region to organize a provin-ial government for the proposed Territory of Nevada, on the squatter sovereighty principle. The returns indicate a vote favorable to the organization An adray took place during the election

at Genoa, in which R. M. Andreson, but Lieut. Governor of California, was shot, and, it is supposed, mortally woman. I. More overland immigrants have arrived at Carson Valley, reporting large numbers on the road. Since the first of June about 200 tops of Washoe silver ore have been sent to Sin Francisco. The amount of ore shipped from San Francisco for New York and England by the last two steamers is valued at over \$75,000. Oregon advices are received to the Blst of The opinion prevailed that larger throughout the State would be har-

eroj throughout the State would be harvested this year than ever before. Newshal been reached at l'orthand that Major Sheen's command had had another skirmich with the Snake Indians. A few Indians re taken pri-oners. There is no general news of interest.

The new-papers are filled with political c, was awarded on Saturdac, to Messes. Theoarticles. Four of them support Pouglas, three go for Breckinridge, and three for

British Columbia news is received to Aug. Four small steamers were building at toria to run on Frazer river and other inland waters. Several brick buildings are going up at Victoria with an increased disposition to invest in real estate.

The mining news contains nothing notethe enlargement is to be made, has not yet been afreed apon.

The Pomeroy, which sink near Pares, both a short time since, has been raised, and is now on the docks at full or receiving necessary repairs.

The Pomeroy, which sink near Pares, both a short time since, has been raised, and is now on the docks at full or receiving necessary repairs.

The Pomeroy which sink near Pares, both a short time whites five to one.

The Majosity's ship Satellite sailed from Victoria for Pomeros time on the western coast of Mexico and Pananca.

Arrival of the New Mexican Mail.

Arrival of the New Mexican Mail.

INDEPENDENCE, August 20.—The New Mexican mail with dates to the 5th instantived this evening.

There is great excitement in Sante Fe. The Navajoe Indians made an attack upon a little sentlement eleven miles below there, and killed two men and drove cut all the stack. There were only cleven soldiers in Santa Fe, and they were sent in pure soldiers in went out and overtook the Indians, and recovered the stock, but had to fight for it, and owing to the cowardies of some Mexican down to the cowardies of some Mexican down to the converted the stock, but had to fight for it, and owing to the cowardies of some Mexican down to the converted the stock of the converted the stock of the converted the stock of the programme of Leotonia fromano.
